Join our Circle of Friends and help to create a sustainable future!

Join the Cloud Institute Circle of Friends today! Our Circle of Friends is a diverse community of people who care about empowering youth leadership to create healthy, sustainable communities. By joining our Circle of Friends, you help us to introduce youth to the knowledge, and skills and attributes necessary to prepare them for the shift toward a sustainable future.

Additional Circle of Friends benefits include:

- **10% discount on select publications of The Cloud Institute**
- **10% discount on our Summer 2008 Advanced Sustainability Institute**
- **Advanced delivery of our E-newsletter**

As we know from the ripple effect in nature, small steps lead to big results, and we look forward to welcoming you into our Circle of Friends. Your tax-deductible* contribution, combined with contributions from other Charter Friends like you, has the power to involve even more young people in the shift toward a sustainable future.
